Happening in Davos

Industry 4.0: The Untapped Potential

Kathy Wengel joined Hub Culture Live to discuss the future of manufacturing and a new inclusion paradigm.

Kathy Wengel chats with Hub Culture Executive Editor Edie Lush in Davos

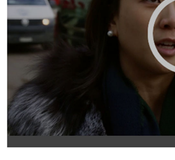

On the Streets of Davos: What's The Future of Manufacturing?

We interviewed people on the streets of Davos for their thoughts on manufacturing and what the future looks like for companies, workers and technologies.

Mental Health Matters

Wellcome Trust, Friendship Bench, PeaceLove, United for Global Mental Health, Johnson & Johnson and many others celebrated the intersection of innovation and the arts to help society break down stigma and solve challenges surrounding mental health.

On the Streets of Davos: Is Mental Health a Public Health Issue?

Is mental health a public health issue? We spoke with people on the ground at Davos for their thoughts on mental health and the importance of its care.

JNJ Innovation
@JNJInnovation

Across industries, women in leadership are catalysts for programs and initiatives that cultivate the next generation of leaders. Today in the #JNJcoLab, we hosted a roundtable discussion focused on empowering us all to work together to catalyze change.
#WEF19

JNJ Innovation
@JNJInnovation

#wef19 #davos #JNJ chief scientist Paul Stoffels with @wellcometrust Jeremy Farrar and Elisha London say this is the year for action on #mentalhealth at a press conference today: Mental illness is both a health and economic issue affecting most in some way but it's neglected
